## PM Championship in a Nutshell

The International Project Management Championship is a global competition dedicated to students to take on each other's skills in project management in both a professional and fun way. Through the IPMC, IPMA Young Crew develops young project professionals and actively promotes project management to business and organizations at the global level.

# HISTORY AND INTERNATIONAL GROWTH

- ❖ 2 International Finals (Europe & Asia + Latin America)
- ❖ More than 20 countries

The Project Management Championship **started in 2009** with Finland being the first IPMA country to organize the championship.

The **first International Final** was organized in **2015** with a consistent growth since then.

# WHO?

- 3 or 4 students for each team
- Each member must be enrolled to University
- Knowledge of basic Project Management
- Knowledge of IPMA model ICB4

# COMPETITION PHASES

The International Project Management Championship is a **3-stages competition for university students** challenging project management competences.

## 1) QUALIFICATION ROUND

<b>1 online test</b>
<b>100 multiple choice questions</b>
<b>100 minutes</b>
<b>English language</b>

The test must be completed at **one attempt** and can be accessed only from **one computer**.

The **6 teams** reaching the highest score **qualify for the National Final**.

Register here: <https://www.ipmapmc.com/index.php/registration>

## 2) NATIONAL FINAL

There are 6 teams competing.

Each team has to solve a case study and submit its own presentation in front of a Jury who will announce the winners.

**The winning team will then participate in the International PM Final.**

Save the Date!

**Italian National Final** of the IPMC 2023  
will be held in **Florence**  
on **May 12, 2023**  
(from 9 am to 18 pm)

*In collaboration with **Baker Hughes***

**Event location:**  
**Baker Hughes, Florence Learning Center,**  
Via de Perfetti Ricasoli, 78 - 50127 - Firenze

## 2) NATIONAL FINAL

### Business Case Study in collaboration with Baker Hughes

Business Case will last 4 hours, and agenda will be organized as follows:

- Business case presentation and evaluation grid
- Q&A
- Business Case resolution
- Teams' Business Case presentation in front of the Jury
- Winners' announcement

*All participants in the National Final will have the opportunity to submit their CVs and be selected for interviews*

# AWARDS FOR ITALIAN PM CHAMPIONS

- ❖ Participation in the **International Final** to be held in **Valencia** on **2-3 June 2023**  
(travel expences are covered by ANIMP/IPMA Italy)
- ❖ Discounted rates for enrollment in **IPMA level D certification** in project management
- ❖ **Free registration to IPMA Young Crew Italy** for 2023

### 3) INTERNATIONAL FINAL

The different National Champions compete against other national winning teams for the title of International PM Champion.

The International Final is a 2-day event hosted in a different country each year, ending with a Gala Dinner where the announcement of the new International PM Champion takes place.

Save the Date!
